Sr PHP Developer

At Three North Agency, you'll be more than just another developer in the stable, you'll make a difference with our clients and our agency business. We offer great offices just outside of downtown Minneapolis with Free Parking, an on-site convenience store and restaurant. Company happy hours, results-based, flexible work schedule. If you are a rock star being held back by the structure of your organization, you'll be able to show your stuff working for Three North.

We are looking for a **Full-stack PHP Web Developer** that dreams in code and doesn't back down from a coding challenge.

The ideal candidate will have experience building and working on multiple projects at any given time and have a good eye for graphic design. This position requires someone who thrives on finding innovative solutions to real problems and is a self-starter who isn't afraid to ask questions.

Job Responsibilities:
- Provide creativity and new, fresh ideas and solutions.
- Interpreting graphic visual or interaction designs in HTML, CSS and JavaScript.
- Creating, editing or modifying templates for a CMS or web development framework (WordPress, Drupal or others).
- Programming interaction with JavaScript, jQuery or specific libraries (Angular js or other).
- Testing cross-browser, cross-platform, and/or cross-device compatibility for inconsistencies.
- Correcting browser inconsistencies based on test results
- Testing for compliance to specified standards such as accessibility standards in the clients region or domain.
- Conducting observational user testing.
- Experience working with PHP frameworks such as Laravel or Symfony to speed site development.

Job Qualifications:
- Minimum of 3 years' experience with PHP
- Experience with Bootstrap, Foundation or other front end framework
- Experience with Laravel PHP Framework 4+
- Experience with HTML, JavaScript, CSS
- Experience with Relational databases (MySQL preferred)
- Experience with Code versioning – (GIT/SVN preferred)
- Experience with jQuery / AJAX / Angular / Other JS Frameworks
- Experience with RESTful services – API / JSON experience

We're looking for a **full time** resource for current and future projects. Interested candidates, please send resume and if you have a portfolios site that showcases your work, that would be awesome too!   Send information to jobs@threenorthagency.com.
